Queer Youth Lounge

Date and Time: Friday, March 1 3:30 pm - 5:30 pm

Address: 173 Colborne Street

Come join us for the Queer Youth Lounge for youth ages 12-18. A fun and engaging drop-in for identifying 2S LGBTQIA+ youth. The program will be held at Brantford Public Library Main Branch in the Program Room on the main floor. There will be snacks provided and lots of fun activities for youth. This drop-in is designed to provide a safe environment for identifying youth to meet other youth that identify, to help provide an understanding and to show connection. The attending youth will lead the program providing them all with the ability to share and voice their opinions to what they want to see happen at the drop-in. All youth deserve to be heard and this can be a place for that to happen. For more information please contact Nick - Youth Outreach Worker yow.nick@wesley.ca, Youth Mentorship Program Facilitator Julie bgcmentorman@bgcbrant.ca or Youth Mentorship Program Facilitator Ashley bgcmentorprog@bgcbrant.ca

D & D Campaign

Date and Time: Saturday, March 9 10:00 am - 12:30 pm

Address: 173 Colborne Street

Dungeons & Dragons is back at Brantford Public Library! Registration is required. This group is for ages 10-16. No experience required. D&D is a fantasy tabletop role-playing game which lets players create their own character, use their imagination, interact with other characters, and make decisions to overcome challenges. An experienced Dungeon Master (DM) will guide you through the game, serve as referee and storyteller, and keep you engaged in a linked series of adventures (commonly referred to as a "campaign"). This program is currently full. Please email pdoliska@brantfordlibrary.ca to be added to the waiting list.

Green Golf Lift Challenge

Date and Time: Saturday, March 30 2:00 pm - 4:00 pm

Address: 173 Colborne Street

Hey Young Engineers! Ready to have fun and learn? The challenge - use two golf balls to lift one. Using recyclable materials collected in your community's Blue Box, research, design, test and demonstrate a device which can lift a single golf ball at least 800 mm using one or two other golf balls. In addition to the recyclable materials, you may use one metre of string and/or duct tape. You have to demonstrate this device at the event at the Library's Main Branch on March 30, 2024. Professional Engineers Ontario Brantford Chapter members will evaluate the devices, including evidence of your research, design, and test and winners will be selected with prizes for first, second and third (\$200, 100, 50). Students can enter in teams of two or three and help from family members is allowed. Entrants will be in two groups: students grades 7 to 8, or students grades 9 to 12. You may begin your research and the collection of recyclable materials from your household or from friends as soon as you have entered the contest. Register online through Eventbrite at <https://www.eventbrite.ca/e/837851635797>
